

# Car transporter trailer AP2600-DRB

(EC0311T1)

The AP2600-DRB is a universal trailer, primarily designed for transporting vehicles. A cargo box with borders also allows the trailer to be used as a regular cargo trailer. Driveways with a flat angle and adjustable position allow vehicles of different widths to be transported.

The trailer on the reinforced all-welded frame is designed for everyday use when hauling heavy loads. Hot-dip galvanized sheet metal, suitable for northern conditions, has been used in the manufacture of the trailer. Waterproof hubs ensure a longer life for the bearings. Metal step-resistant fenders and step boards enable more comfortable use of the trailer. The cargo box is equipped with strap loops on the inside and outside to secure the load. The tilting cargo box allows you to make the angle of the loading more flat. The support legs support the load when loading. The driveways are easily pulled out, the perforated surface provides good grip.

Upgrade your trailer with accessories for the best user experience.

## Tehnilised andmed

Kasti laius (m):	1.96
Kasti pikkus (m):	4.18
Raam:	Welded
Täismass (kg):	2750
Tühimass (kg):	701
Kandevõime (kg):	2049
Poordikõrgus (m):	0.18
Haagise pikkus (m):	5.71
Haagise laius (m):	2.45
Sild:	2 x torsion
Pidurid:	YES
Rehvid:	185R14C M+S
Rattapoltide arv:	5

## Standardvarustus

- ✓ Tugiratas
- ✓ Lamineeritud veekindel põhjavineer
- ✓ Eemaldatav esi- ja tagaluuk
- ✓ Vintsipukk
- ✓ Tugijalad
- ✓ Pealesõiduteed
- ✓ 4+4 koormakinnitusasaasa (kasti väliskülgedel)
- ✓ 6+6 koormakinnitusasaasa (kasti põhjas)
- ✓ Tasakaalustatud rattad M+S rehvidega
- ✓ Pistik 13 klemmi
