

Mini tractor trailer TP250-RB/1800kg

(EC0368TI)

A multi-functional tractor trailer with a strong construction, designed for the transport of special equipment (mini loaders, excavators, etc.). Also suitable for the transport of three-wheeled equipment. The special design of the rear of the trailer with a ramp ensures a gentle approach angle for easy and quick loading of equipment.

The trailer is manufactured using hot-dip galvanized metal suitable for northern conditions. Waterproof hubs ensure a longer life for the bearings. The truck box is equipped with strap loops for securing the load securely. The support legs are a support when loading the load. The mesh bottom provides greater rigidity to the trailer, better grip on mobile devices, and water, snow, dirt, etc., do not collect on the bottom of the trailer.

Upgrade your trailer with [accessories](#) for the best user experience.

Tehnilised andmed

Kasti laius (m):	1.26
Kasti pikkus (m):	2.49
Raam:	Welded
Täismass (kg):	1800
Tühimass (kg):	375
Kandevõime (kg):	1425
Poordikõrgus (m):	0.16
Haagise pikkus (m):	4.19
Haagise laius (m):	1.68
Sild:	torsion
Pidurid:	YES
Rehvid:	155/70 R12C 104N 5 x 112 M+S
