

# BP1500-RBA multiroller boat trailer with flip-up LED tail lights

(EC0577TI)

The single-axle boat trailer with brakes on a hot-dip galvanized welded frame is user-friendly and durable. This trailer is designed for everyday use as well as for those who only need a trailer once or twice a year. Fits all the most common boat models. Multirull System saves your boat and your time.

NB! When choosing a trailer, keep in mind the dimensions and weight of your boat, including engine, fuel and accessories.

## Tehnilised andmed

|   |                      |
|---|----------------------|
| Max paadi pikkus (m):                   | 6                    |
| Raam:                                   | Welded               |
| Täismass (kg):                          | 1500                 |
| Tühimass (kg):                          | 431                  |
| Kandevõime (kg):                        | 1069                 |
| Haagise pikkus (m):                     | 6.35                 |
| Haagise laius (m):                      | 2.09                 |
| Sild:                                   | torsion              |
| Pidurid:                                | YES                  |
| Rehvid:                                 | 185 R14C 5 x 112 M+S |
| *Täismassi valik registreerimisel (kg): | 1400, 1500, 1600     |
